WM. E. PELL, PROPRIETOR.

SEYMOUR AND BLAIR CONVENTION AT ASHEVILLE.

At a meeting of delegates from the several Counties composing the Seventh Congressional District, held in Asheville on the 27th instant, Mr. J. Keener, of Jackson, was called to the Chair, and D. H. Graves, of Henderson, requested to act as Secretary.

The object of the Convention was briefly explained by the President, when called to the Chair, to-wit: The nomination of a Conservative Democratic candidate for Congress in this District, and a District Elector for President, on the Seymour and Blair ticket.

The Convention being now organized, a motion was made by Mr. J. J. Osborne, of Henderson, for the Chair to appoint a Committee of five to devise a plan by which each County should be entitled to vote, and to decide upon the eligibility of delegates from the different Counties. The motion having been carried, the following Committee was appointed, viz: Messrs. J. J. Osborne, G. M. Whiteside, R. M. Stokes, Capt. N. Kelsey and Col. McAfee.

A motion was made and carried, to the effect that a Committee be appointed, whose duty it should be to designate business for the consideration of the Convention, which Committee consisted of Col. J. D. Hyman, Col. W. M. Cocke, Capt. C. M. McLoud, Col. Hardy and Mr. E. M. Painter.

During the absence of said Committee, Gen. R. B. Vance was called for and addressed the meeting. The General showed clearly the burdensome misrule of the Radical party, and the means that they had devised to engulf the country in further trouble, perhaps awaking us from the quiet walks and peaceful dreams of civil life to the deadly shock of arms!

Mr. James H. Merrimon being called upon, eloquently responded, demonstrating the oppressive designs of the party in power, urging the people to a sense of their duty in the coming election.

The Committee charged with the preparation of business for the Convention, having returned, made the folowing report, namely:

Resolved, That we most cheerfully and cordially indorse the New York nominations for President and Vice President, and the platform of principles; and the delegates here assembled pledge the united support of said nominations by the Conservative and Denfocratic party of this District.

Resolved, That the Convention select a candidate for Elector and Assistant Elector, and that the Seymour and Blair Clubs of the several counties comprising the District be requested to appoint Assistant Electors in their respective counties.

Resolved, That this Convention pledge themselves to each other and the country, to use all fair and honorable means to redeem the State from Radical rule, and restore the country to its purity, as it existed in the days of Washington and the fathers of the country.

The above resolutions were unanimously adopted by the Convention.

Col. Cocke was now called for, and addressed the meeting at length, in his usual clear, logical, impressive manner, proving that the success of the Radical party in the coming election would be the death knell of American liberty, substantiating his position by figures and facts.

The committee that had been appointed to determine a plan by which each county should vote, and to decide upon the eligibility of delegates, reported as their decision that every county should be entitled to one vote, and every 375 over 500, entitled to one, the calculation being made from the registered vote; and that all who are vouched for by a gentleman known to the Convention, are considered as delegates.

A motion was made and carried to appoint a committee on nominations, consisting of Messrs. T. C. Westall, Col. Hardy, Col. Cocke, Capt. A. E. Posey, Captain Nat. Atkinson, Major W. M. Rhea, Mr. E. M. Painter, Captain C. M. McLoud, Capt. Kelsey, Dr. Shuford and G. M. Whiteside.

A recess of an hour having been taken, the Convention reassembled, when Col. McAfee, being called out, addressed the meeting on the issues of the day, and, like those who preceded him in the morning's meeting, demonstrated the sinister motives of the party in power.

The committee on nominations made and fulmitted the following report, which was endorsed unanimously by the Convention:

For Congress,
PLATO DURHAM,
of Cleaveland.

For Elector,
COL. LEE M. McAFEE,
of Cleaveland.

Nominations were then made for Assistant Elector, and for each Senatorial District, resulting in the following selections:

For Assistant Elector for District at Large:
THEODORE F. DAVIDSON,
of Buncombe.

DISTRICT ELECTORS:

38th. District—Col. J. A. Fagg, of Rutherford.

39th. District—F. S. Huton.

40th. District—Mr. J. H. Merrimon, of Buncombe.

41st. District—Mr. A. C. Avery, of Burke.

42d. District—Mr. W. W. Flemming, of McDowell.

43d. District—Joseph Keener.

An Executive Committee, consisting of the following named gentlemen, was then appointed, viz:

From Ashe county, Mr. W. E. Hardin; Alleghany, Mr. Calvin Jones; Buncombe, W. M. Hardy; Burke, Capt. E. B Erwin; Caldwell, Gen. S. F. Patterson; Cherokee Dr. J. W. Patton; Cleveland, Capt. J. W. Gidney; Henderson, Mr. J. J. Osborne; Haywood, J. C. L. Gudger; Jackson, E. M. Painter; Madison, Dr. Jesse Wallen; McDowell, W. W. Flemming; Polk, Tye Pidings; Rutherford, G. M. Whiteside; Transylvania, J. W. Clayton; Yancey, J. W. Proffit; Macon, J. L. Robinson; Clay, George Bristol; Mitchell, A. J. Heersh; Watauga, Jos. Todd.

A President Executive Committee was then appointed, consisting of Messrs. R. M. Stokes, J. H. Merrimon and Gen. R. B. Vance.

The following resolution, presented by Mr. R. M. Stokes, was unanimously adopted, viz:

Resolved, That the delegates to this Convention be requested to use their influence in their respective Districts to create a fund of money for the purpose of purchasing documents, to defray the travelling expenses of Canvassers, and for other necessary expenses for a complete canvassing of this Congressional District in the present campaign.

Remarks were made by a number of gentlemen, all eager for the promotion of the cause for which they had assembled. A reciprocal good feeling prevailed the entire assembly, and harmony marked every transaction. The good of our common country was all the while kept in view. A zeal and determination, such as is seldom seen, was the characteristic of every member to the Convention. The nominations, which are excellent, were received with enthusiastic applause and cheers. We have no doubt the people will heartily indorse them. A resolution was adopted requesting the Western *Vindicator*, Raleigh *Sentinel*, and other papers friendly to the cause, to copy these proceedings from the Asheville *News and Farmer*.

After a most pleasant meeting, the business of the Convention having been accomplished, the meeting adjourned *sine die*.

J. KEENER, Pres.
D. HARRISON GRAVES, Sec'y.

NATIONAL DEMOCRATIC TICKET:

FOR PRESIDENT,

HON. HORATIO SEYMOUR,

OF NEW YORK.

FOR VICE PRESIDENT,

GEN. FRANK P. BLAIR,

OF MISSOURI.

ELECTORAL TICKET.

FOR THE STATE AT LARGE.

HON. JAMES W. OSBORNE, OF MECKLENBURG.
JOSEPH J. DAVIS, OF FRANKLIN.

DISTRICTS.

1st—THOMAS J. JARVIS, OF TYRRELL.
2nd—JNO. HUGHES, OF CRAVEN.
3rd—
4th—
5th—M. S. ROBINS, OF RANDOLPH.
6th—W. M. ROBBINS, OF ROWAN.
7th—L. M. McAFEE, OF CLEAVELAND.

Resolved, That we approve of the platform of principles adopted by the National Democratic Convention. It palters in no double sense—its language is explicit and its meaning clear—the issues presented to the country are plainly and unmistakably defined, and, with a free and fair election, we confidently believe they will be endorsed by a large majority of the people; and with that endorsement must come such a change in the administration of the National Government as will restore the Constitution and give peace, harmony and prosperity to the country, and especially to the down-trodden States of the South.

Resolved, That it is our earnest desire and intention to bring about these wholesome and necessary changes by the peaceful means of the ballot-box—and all efforts to produce a contrary belief, coming from what quarter they may, are but the tricks of interested partizans of a desperate political faction, bent upon perpetrating power by any means and at all hazards. They are attempting to alarm the people of this State by the false cry of revolution and war, threatening them at the same time with military force; while, in other States of the South, they have not hesitated to take from the people the election of electors of President and Vice President, and to confer it upon Legislatures, the members of which were elected under military rule without freedom of choice and with no regard to the question of the Presidency, in order to secure the electoral votes of such States for the Radical candidates, in disregard and defiance of the just rights of the people of such states, and of the whole country.

Resolved, That it is our frank purpose now, and has been since the close of our late civil war, to accept and abide by, in good faith and without disturbance, the legitimate fruits and consequences of that war; to yield to the Government of the United States a cheerful submission and allegiance, and to perform all the obligations of good citizens to their rightful Government. And we do proclaim that, in asking recognition on terms of equality in that grand copartnership of States which constitutes our Federal Union, we do so with no hostile intent; on the contrary, we wish to share its benefits and Radicalism; to rebuild our waste places under the protection of its flag; to re-establish the old era of good feeling in our common country; to thwart the designs of unpatriotic men everywhere, who seek to perpetuate discord and division; and to participate in the blessings, as well as the burdens, of the government.—*Resolutions adopted by the State Democratic Convention of North Carolina, Aug. 14, 1868.*

THE SPOILERS.

The Radical party is pre eminently the *Spoils Party*. They hold and practice the doctrine that "to the victors belong the spoils." No man can hold office, by the consent of the *spoilsman*, unless he binds himself to the Radical party. This is the *sine qua non*. Is he honest—is he capable? are not questions which they concern themselves about; but, is he a good *Radical*? That settles the point.

Remember that the Radical Legislature, indifferent to the poverty of the people and reckless of expenditure, voted themselves $7 per day and mileage, when good board could be obtained from $1.50 to $3 per day. It was not content with the ordinary number of Clerks and Doorkeepers, but appointed two or more *Pages* to wait upon them, at $3 per day. So the people's money goes.

Remember that a *third branch* was established, meaning a *liquor saloon*, in the Capitol, kept by a paid State officer, at which members of the Legislature obtained *free drinks* of costly liquor, whenever called for. Who footed the bills? At the close of the session, the Legislature voted $500 for contingencies. What was it for? Who knows? Was that for the *free liquor*?

Remember that the new system of registration, which is wholly unnecessary and a medium of endless frauds, under the management of corrupt men, will cost the State about $25,000 or $30,000. A better plan can be adopted without cost to the State.

Remember that James H. Moore, Esq., the late excellent Steward of the Insane Asylum, was removed after he had refused to make contracts for beef and wood at higher prices than he could purchase from others. Since Mr. Moore's removal, the Superintendent of Public Works, C. L. Harris, Esq., a high salaried officer of the State government, we understand, has made a contract with the Asylum to furnish 1000 cords of wood for $4,000. Mr. Moore had already engaged a quantity at $3 per cord. *Thus* the people's money goes.

Remember that the Radical party has forced upon us such radical changes in our Court system, and in our county governments, as will double the former cost. Where a man paid, heretofore, $4 for taxes, he must pay now $8, to meet the current County and State taxes. Where is the money to come from? *Out of our poor people!*

CHARGE IT UPON the Radicals that they mean WAR—that they threaten to resist the will of the people BY FORCE!

THE CONSTITUTION.

What the life blood is to the human system, the *Constitution* is to our system of Republican government. The latter cannot live without the former. What the compass is to the mariner, the *Constitution* is to the country. Without it, as the guide and chart of our national existence, we are at the mercy of the waves, and must drift towards destruction. That we are now tossed about in uncertainty and peril, threatened with anarchy and ruin, is because those who govern the ship have thrown the compass aside and sought to steer it with a mutinous and crazy caprice. They know that a return to the *Constitution* is a constitutional reckoning would soon bring us into port, when their piratical employment would be over, and they prefer to keep on the agitated seas, that they may riot and revel in theft and plunder.

The Radical party, in all its legislation, has not even *pretended* to be governed by the Constitution. Thad. Stevens scoffed at the idea that their reconstruction policy was constitutional. The highest *Judicial officer* of North Carolina, a recent convert to Radicalism, boldly affirms that that policy is *extra constitutional*! One of the Radical Superior Court Judges elect for this State openly proclaims that the Constitution is an obsolete instrument,—not up *to the spirit of the times*! The Constitution—the work of the wise and patriotic founders of our free government,—is the deadly enemy of Radicalism and Radicalism is *its* sworn enemy. Their purpose is to subvert the Constitution, to change our forms of government, and to consolidate its powers in an imperial centre—in order to *perpetuate their power*. That is what they are after.—And, to accomplish this, they have nominated the "General of our Armies" for President, and are ready to *make war*, if necessary, upon the Constitution, and those who would restore it!

These tendencies and aims of Radicalism were most forcibly illustrated by Judge Merrimon, in his powerful speech, in this City, on Tuesday night. He called attention to the significant fact, in this connection, that while the National Democratic Platform breathes nothing but devotion to the CONSTITUTION and Constitutional Union, *the word "Constitution" is not employed a single time in either the Chicago platform or in Gen. Grant's or Mr. Colfax's letters of acceptance!* Everything is "Congress," Radical Republican party, Congressional Reconstruction! They have no use for the CONSTITUTION. But the *people*—the patriotic masses—will restore it and "bring it into fashion" by the triumphant election of Seymour and Blair!

DISCOURAGING TO FARMERS.

The farmers of North Carolina can easily raise all the corn, wheat, oats, grass, pork, beef, mutton, hides, &c., needed for the wants of our people, and have a large surplus to export to other States. Why do they not do it? Why is it, that we buy flour, corn, beef, pork, wool, leather, &c., from other States? We can make it at home cheaper.

Our farmers complain that the demoralization of a portion of our population, under Radical manipulation and advice, is so great that grain, stock, &c., are stolen or destroyed, so that each farmer has to confine himself to raising just what he can best take care of. We know nothing of the facts, mentioned in the following article from the Richmond *Enquirer*, but, if true, they are peculiarly discouraging. The *Enquirer* says:

"On the other hand, we hear of a gentleman who, last year, purchased land in North Carolina on which he established a settlement, and stocked it with several hundred sheep and other stock. He lately passed through Richmond returning North, saying that the negroes had stolen every one of these sheep and everything else about his place, so that it was left utterly destitute. He has left his farm to lie idle in North Carolina, and says he intends to remain North until Seymour is elected—a consummation which he believes embodies the last hope of the South."

MR. BOYDEN.—The candidates for Congress in the 6th District, Messrs Shober and Boyden, met at at Newton, on Monday. Owing to hoarseness, Mr. Shober was unable to speak, but introduced Mr. Schenck, of Lincolnton, who replied to Mr. Boyden, and "went through him." Mr. Boyden, it is said, denounced the whole system of Radical legislation, State and Federal,—especially Holden's "Detailed Militia," and yet, with an absurd inconsistency, declared himself for Grant, the War candidate! Mr. Schenck's withering exposure of his ludicrous and puerile positions elicited great applause. Mr. Boyden is done for. Pity!

GEN. GORDON AT CHARLOTTE.—The gallant General J. B. Gordon, of Georgia, arrived in Charlotte on Monday night. He was received by Committees from the two Democratic Clubs of the city, the city band and a large number of citizens, and was appropriately welcomed by Colonel William Johnston.

The *Times* says of his speech on Tuesday:

"When we entered the hall it was crowded to its utmost capacity. After music by the band, Colonel Johnston introduced Gen. Gordon, who spoke for over two hours. We have seldom heard so much eloquence, wit and pathos. The General is one of the first speakers of the age—and is destined to win as much glory in the field of oratory as that of Mars. Our people were delighted, as their frequent applause and high enthusiasm testified."

EVERY STEP in the progress of "reconstruction," so-called, shows that it is as utter failure. There is no stability, no permanence in it. See the action of the Radical Georgia Legislature, excluding the negro members. It has to be bolstered up at every stage by temporary props and expedients. It requires constant mending and fixing up. It rests upon an unnatural basis and nature itself will ultimately destroy it.

KEEP IT BEFORE THE PEOPLE that the Radical organ in this City recommends the County Commissioners to *build negro villages* and to TAX THE LANDS of the people for the support of a lazy and thriftless population!

RADICAL ORATORS.

Many Radical speakers are employed in canvassing the State, and they will do so vigorously during the campaign. Generally speaking, they are unwilling or afraid to allow Conservative and Democratic speakers to reply to them. Hence, but few of our people attend *their* discussions. It is important that some of our friends should attend them, however. If their speeches are incendiary and mischievous, as we learn most of them are, intelligent and reliable Democrats should be present to report their speeches and expose them. No insurance should be left unnoticed. Our people should report them at once to the newspapers.—Let the truth and the whole truth, only, be reported. Many of their hearers are ignorant and may misrepresent their speeches, but the injury done them and the public is incalculable. Every such speaker must be exposed.

Radical speakers continue to repeat the falsehood to the colored people, that if Seymour and Blair are elected, the negroes of the South will be re-enslaved. They know this to be an arrant, wicked falsehood, when they use it. They know that the Democrats desire no such thing, and that it is an absolute impossibility.

A reliable gentleman informs us that he heard, from persons who attended the meeting, that Rev. S. S. Ashley, the Superintendent of Public Instruction, addressed a crowd of negroes at Auburn, on Saturday last, and that he stated, among other direful results to follow, if Seymour and Blair were elected, there would not be a house or fence left standing in this country—that there would be general devastation. But if Grant and Colfax were elected, the *"carpet baggers"* would come around with their carpet-bags full of gold and greenbacks, to buy up the land and divide it among the negroes! Can it be possible? We call upon those who heard the speech, to give us the facts. We learn that several whites were present.

N. C. RAIL ROAD.—There has been an attempt at braggadocia by the exhibits, for June and July last, of the reciepts and expenditures of the North Carolina Railroad. Everybody knows that, under the energetic management of Hon. Josiah Turner, Jr., the receipts and expenditures of that Road, since the 1st. of August or September, 1862, were very flattering, up to the time of his leaving. The mismanagement must have been very great to have made any material change in so short a time after Mr. Turner's leaving, and, therefore, we think that Smith, and his friends, had better defer their bragging a few months. If the Road continues to do as well as it was doing under Mr. Turner's management, up to the 1st. of November, then Smith and his friends may *crow* a little.

From what we hear, Smith is not likely to do much, until after the Presidential election, at least. There are so many Radical dead heads, it will go in pretty strongly upon the receipts for travel upon the Road. We learn that the sums for expenditures will be small, for the reason that payment of dues on the Road, for expenses, will be and has been deferred. Bills are not paid as promptly, we understand, as they have been.

Mr. Smith is determined to secure Radical votes by his party management of the Road. J. B. Alford, of Johnston, quite a respectable colored man, was greatly disgruntled with Mr. Smith's management, however, a short time since, and his talk indicated that he could not again vote for the Radicals. Alford and the Railroad President had a meeting, thereupon, and we are told that he now has a paper in his pocket, by which the Agents at Selma and Raleigh allow him to pass to and fro, at half fare. Alford is an active, industrious man, and is engaged in trade and merchandise, and we hope deserves to be thought well of, but why should he have a half fare ticket, while others, equally deserving, have not? The Directors will do well to enquire into our Extra Billy Smith's management.

FIFTH CONGRESSIONAL DISTRICT.

The Democratic and Conservative Convention for this District, (at present represented by Mr. Lash,) assembled at Greensboro', on Tuesday. Every county was represented, except Surry and Stanly, and great enthusiasm and the finest feeling characterized all the proceedings.

COL. LIVINGSTON BROWN, of Caswell, was nominated as the candidate for Congress and accepted—promising an active canvass. Col. Brown is a gentleman of fine intellect, high character and great popularity, and his nomination will be most acceptable to the true men of the District.

M. S. ROBINS, Esq., of Randolph, was chosen as the Candidate for Elector. He will enter with energy and ability upon the campaign. The selection is, everyway, an excellent one.

"IF YOU unseat us, we will fight!" Such was the declaration of an Ethiopian who claimed the right of membership in the "reconstructed" Legislature of Georgia. "You (the Radicals) promised we should have our rights. You told us we were your equals.—You flattered us with sweet promises of equality before the law. You obtained our votes to help you into office. And now you tell us we cannot sit as your equals in the government we have helped you to rear over our old masters in Georgia. If you unseat us, we will fight."

The language of the Ethiopian orator may have been somewhat different from this; but his meaning is not misrepresented. The negroes are beginning to appreciate the *sincerity* and *honesty* of the men whom they have trusted, and by whom they have been deceived.

DANL. DECHERT, Esq., of the Hagerstown *Mail*, and a party of seventeen gentlemen from Maryland and Pennsylvania, (of whom and their mission we spoke a day or two since,) have arrived in Charlotte, to look at the lands in Mecklenburg, with a view to purchasing land for farming purposes.

NEGRO TROOPS IN GOLDSBORO'.—We have heretofore mentioned the inexplicable fact that ten companies of negro troops have been concentrated in Goldsboro'. The *Rough Notes* contains the following account of the outrages which they are constantly committing,—outrages which call for prompt redress at the hands of those who profess to control them. The presence of these negro troops in such numbers, while white troops are sent out of the State, cannot but be regarded as unnecessary and most prejudicial to the interests of quiet and public order:

"Insults are daily offered to respectable citizens, and even to ladies and children, on the public streets and in their own dwellings. We are told that in some parts of the town, ladies or children cannot show their faces at the window but they are insulted by soldiers passing.—Ladies walking the public streets are not seldom annoyed by such rascals, who, on purpose, indulge in language too scandalous to be mentioned. Gardens are robbed; and faithful yard dogs are shot and killed inside of their enclosure. We mentioned in yesterday's issue that a cow belonging to Mr. D. Creech was shot and instantly killed by these soldiers, at the very hour of mid-night; a gentleman saw those outlaws run, but he could not identify them. We hear of one case, where some of these "braves" passed the residence of a respectable citizen, on Sunday last, when one of them, who had the letter "K." on his hat, indulged in very black language towards a little boy who was playing on the piazza, the mother of the child being seated at the window at the time, when this "brave warrior" called the little fellow a d—— white s——. We have also ourselves witnessed numerous cases of such outrages; and only on last Saturday evening, one of our most respected townsmen was grossly insulted, yea, almost knocked down, in the immediate front of our sanctum, by three negro soldiers, belonging to Co. "D," one of two of whom seemed to rank as corporals. The insult was entirely uncalled for, and shows the more the foul spirit that exists among many of them. The gentleman was endeavoring to give them the side walk as speedily as he possibly could, but not getting out of their way fast enough, they nearly ran over him, and afterwards abused him, one of the "corporals" taking great delight in calling the unoffending gentleman a d——n rascal, etc. We could mention many other cases of lawlessness, especially towards the colored people of this community; but we think it is sufficient. It is true that this bad behavior seems to exist mostly among the lately arrived companies, and it is the duty of the officers to check such scandalous behavior on the part of some of their men, and they can do it, if they will try. "Let us have PEACE."

MAINE.—A correspondent of the New York *Herald*, writing from Maine, draws the following hopeful picture of the situation in that State:

"The Democrats have renewed the canvass with redoubled *eclat*, hope revives, and the prospects are very flattering for decreasing the Radical majority of eleven thousand of last year, if they do not carry the State by a very narrow majority. They are all hopeful, and the smiling faces of the bronzed masses from the factories, the farms, the ship yards and forests that gather about their speakers cheer them on to nobler effort.

In my perambulations along the rivers I have observed that upon the prosperity or adversity of the shipbuilders, much depends. In every town where shipbuilding is still carried on and employment given to mechanics, the Radical party still hold the balance of power. This town is a fair illustration. Here the business of shipbuilding is more prosperous than at any place in the State, and the result is that the Radicals still hold their own. In other towns, where most if not all of the yards are closed, the almost universal feeling is hostility to the Congressional party. Hence you may depend upon it, that from the mechanics especially the Democrats will secure increased majorities."

RADICAL RUFFIANISM.—The National *Intelligencer*, referring to the recent horrible threat of the negro Radical Senator, in the Louisiana Legislature, says:

"Let this thing be well pondered in every household in the West and North. Let it be held up to the people as the inevitable and only ultimate result of Radicalism, not only in the South, but elsewhere. Constitutions have long since been openly trodden under foot, and fraud and violence substituted for law and order. There is only one step more to absolute lawlessness and crime and a fearful anarchy, when in revenge for baffled ambitions our splendid cities shall be laid in ashes by the torch of the incendiary, and their inhabitants become the victims of organized bands of brutalized assassins. Already has this been thus publicly threatened by the pampered minions of the Radical leaders. Will not the people of this great country be warned in time? Will they not, ere it be too late, arouse themselves as one man to hurl from power and place those who have engendered such ideas and stimulated such menaces, and to sweep from existence the party that is thus madly converting civilization into barbarism, order into anarchy, and peace into the direst of all civil wars?"

WE LEARN, from the Wilmington *Star* that Jos. William, French and others addressed a Radical meeting in Sampson, a few days ago, at which there were assembled one hundred negroes and *one* white man. The *Star* says:

"After the speaking was over, Messrs. Holden, French and others repaired to the hotel to get their dinner, but, on being informed by the landlord that the hospitalities of his house were not dispensed upon that principle of social equality which recognizes "no distinction on account of race, color or previous condition," they concluded not to dine."

THE GEORGIA RADICAL ELECTORS COMING OUT FOR SEYMOUR AND BLAIR.—The *Chronicle and Sentinel* of Tuesday reports a rumor, which it thinks well founded, that A. T. Akerman, one of the Radical candidates for elector for the State at large, will in a few days be out in a card with drawing his name from the ticket. If so, this will make four of the Radical electoral ticket who refuse to run, and say they will support Seymour and Blair, viz: Akerman, Wilbur, Boyd, and Harden; and yet the Republicans still keep their names up. If elected, under these circumstances, they would, of course, cast their votes for Seymour and Blair. Four out of nine Grant electoral candidates to come out for Seymour in the course of a fortnight after their nomination is pretty significant of the way the Grant and Colfax ticket is running in Georgia. It is running out at both bung hole and spigot.—*Macon Telegraph, Sept. 3d.*

The Augusta (Ga.) *Constitutionalist* states that a radical emissary named Whittemore is attracting the attention of the freedmen in Laurens district, S. C., by likening himself to Jesus Christ.

Twenty thousand articles for cost: G. T. and W. C. Stronach.

MIDDLE WARD.

The Seymour and Blair Club of this Ward was organized, last night, at the Court House, by the election of the following officers, viz: President, Seaton Gales; Vice Presidents, W. Hal. Harrison and H. T. Clawson; A. N. McKimmon, Secretary, and C. B. Root, Treasurer. The Constitution of the Central Club was adopted.—Proceedings to-morrow.

EASTERN WARD CLUB.—We are pleased to learn that the gallant Democrats and Conservatives of the Eastern Ward are determined to build a Club House for their meetings. Let every man pull off his coat and go to work, and it can be done at once.

WE ARE indebted to R. M. Johnson, Esq., of Johnston county, for a good list of subscribers.

THANKS to M. L. Logan, Esq., of Cleaveland, for a club of subscribers to the *Sentinel*.

NEGRO TROOPS.—A Company of negro troops arrived here from Goldsboro', on yesterday. We regret to learn that they are to be stationed here, in place of the white Cavalry Companies, now here, but which have been ordered on distant service.

WE UNDERSTAND that one of the County Commissioners for Wake made a bet, a few days ago, that *Philadelphia was a State!*—He insisted vehemently that it was, and that it gave "*forty four electorial votes!*" *Where's 'Squire Sasser?*

WHY ARE Holden's *Militia Colonels* ordered to report to the Chairman of the Radical Executive Committee? "*Let us have peace.*"

AS TOLD TO US.—On Sunday last, Mr. C. L. Harris, who "writes himself Superintendent of Public Works," coming up the Raleigh & Gaston R. R., on the freight train, stopped a little while at Franklinton and sauntered up town. Espying a negro wearing a Seymour and Blair badge, the Col. approached the colored man, and asked him why he wore such a thing. The man replied that they were the pictures of the men who held the same political faith with himself. The Col. grew wrathy and indulged in a long expostulation, winding up with the declaration that if *he* (the Col.) was in his (the colored man's) place, he would not wear such a thing—he would throw it away. The colored man, looking the Colonel full in the face, said: "I see, sir, we differ politically. You are a white man; I am a colored man; but *I* have a white man's principles." The Col. wilted and left.

THE SCALAWAGS and carpet-baggers realize the necessity of providing some sort of offset to the numerous outrages recently committed in various parts of the State by the "Loyal Leagues," and which have so aroused the popular indignation. Accordingly, just upon the heels of the announcement that a Democratic colored man had been brutally murdered in Sampson by these Leaguers, they have trumped up a charge that the Vice President of a League has been killed in the same county. If this is so, who knows but that he was killed by Leaguers themselves, just in order to lay the guilt upon "rebels?"

THE RADICAL PYRAMID.

BUILT UP UPON THE LABOR OF THE MASSES.

Taxes for Freedmen's Bureau—ten millions!

Taxes for unnecessary bayonets—sixty millions!

Taxes for a uselessly large navy—forty millions!

Taxes for an unconstitutional reconstruction—five hundred millions!

Taxes for innumerable corrupt office holders—*a thousand millions!!*

DECLARATION OF WAR!—The Radical paper in this city gives the following advice to "loyal men:"

"Be ready with your ballots, and SAVE YOUR BULLETS until after the 3rd. of November."

Which means: If the American people elect Seymour and Blair, and determine to oust the Destructives from office, their verdict must be resisted—*there must* be WAR. "*Let us have peace.*"

SHOCKING.—The Yankee *Yaz*-hammer in this City speaks of "colored men" as *negroes*—the same awful offence for which our Reporter was expelled from the Radical bogus House of Representatives. It is noticeable that, since the exclusion of the negro members of the Georgia Radical House of Representatives, the Southern Radical papers are becoming much less respectful in their allusions to the sons of Africa.

WESTERN WARD CLUB.

SEYMOUR AND BLAIR CLUB ROOM,
Raleigh, N. C., Sept. 7, 1868.

By a provision made at the last regular meeting of the Central Seymour and Blair Club, to organize Branch Clubs in the different Wards of the City, a portion of the citizens of the Western Ward met at Howell's school house and proceeded to organize.

On motion of Mr. J. H. Separks, Mr. P. C. Fleming was requested to take the Chair, and, on motion of Mr. John C. Syme, W. E. Pell, Jr., was requested to act as Secretary.

Mr. Fleming explained the object of the meeting in a brief manner, when, on motion of Mr. John C. Syme, a Committee of four were appointed, to report permanent officers for the Club.

After short consultation, the Committee, through their Chairman, Mr. Syme, reported the names of the following gentlemen: For President, J. H. Separks; Vice President, P. C. Fleming; and Secretary, E. B. Alley.

On motion the report of the Committee was adopted and the new officers were conducted to their places.

Mr. Separks, the permanent President, being called on, addressed the meeting in an eloquent manner, urging the members of the Club to prompt action in the present campaign, and that it is the duty of every true lover of Constitutional liberty to rally to the support of the nominees of the great National party, Horatio Seymour and F. P. Blair.

On motion of W. E. Pell, Jr., a Committee of twelve was appointed whose duty it shall be to solicit memberships for the Club. The following gentlemen compose said Committee, viz: Messrs. Ramsay, Parham, Wilson, Jackson, Beasley, Litchford, Andrews, Simpson, Stanton, DeCatterct, D. W. Whitaker and Redford.

Mr. A. D. Royster moved that a Committee of five be appointed, to be styled a Finance Committee, who shall collect funds for the use of the Club. The Committee are Messrs. Royster, Pell, Anderson, Nowell and E. B. Alley.

Mr. J. C. Syme moved that a Committee of two be appointed to wait on Rev. J. K. Howell and ascertain if the school house can be procured one night in each week and on what terms. The President appointed on that Committee Messrs. D. W. Whitaker and R. C. Redford. On motion the President was added to the Committee.

Mr. A. D. Royster moved that this Club meet regularly every Monday night, which was carried.

Mr. John C. Syme moved that this Club adopt the same Constitution and By-Laws as the Central Club.

Mr. C. M. Busbee, President of the Central Club, being called upon, addressed the Club for a short time in his usual eloquent style.

On motion of Mr. J. C. Syme, the meeting adjourned.

SEYMOUR AND BLAIR IN PASQUOTANK.

At a meeting of the people of Newland precinct, Pasquotank county, N. C., Daniel Sawyer was called to the Chair and James T. Spence elected Secretary.

On motion, a Committee of six, consisting of J. R. Etheridge, Wm. J. Spence, D. P. Brite, D. A. Sawyer, Robert Morgan, and Wm. Williams, Jr., were appointed to draft Resolutions for the consideration and adoption of this meeting.

The Committee having retired, the meeting was entertained by a speech from Col. Jos. S. Jones.

The Committee being called on to report, J. R. Etheridge, one of the committee, presented and read the following preamble and resolutions:

WHEREAS, The light of history teaches that civilization can be advanced and good government established and maintained by the white race only; *and*

WHEREAS, The Democracy of Newland precinct firmly believe that this government was intended by the framers of the Constitution and fathers of the Republic to be a white man's government;

Therefore Resolved, That we are in favor of any set of measures and political principles that tend to bring back this government to its former political status, and to establish the supremacy of the white race, and, as one of the means to effect that desirable end,

Resolved, That we hereby publicly pledge ourselves to vote for and support the Hon. Horatio Seymour for President and Gen. Frank P. Blair for Vice-President of the United States.

Resolved, further, That we do heartily endorse the Democratic platform passed by the nominating Convention at New York.

Resolved, That we hereby unite ourselves into a political club to be called the Newland Democratic Seymour and Blair Club.

On motion, the foregoing preamble and resolutions were adopted.

On motion, Daniel Sawyer was elected President of the Newland Seymour and Blair Club, Joshua Stewart, Vice-President, and J. R. Etheridge, Secretary.

On motion, it was resolved that the proceedings of this meeting be sent to the Raleigh *Sentinel* for publication.

The members of the club having given their names, it was resolved, on motion, that the Club adjourn to meet again on Saturday, 27th. inst. at 2 o'clock.

DANIEL SAWYER, Chair'm.
JAS. T. SPENCE, Sec'y.

A DISTINGUISHED SEYMOURITE.—Hon. Thomas Ewing, of Ohio, who was a member of General Harrison's Cabinet, and has long been a distinguished leader of first the Whig and then the Republican party, though latterly he has been one of the President's supporters, is out in an able letter reviewing the situation and touching the duty of the unpledged voters. He has arrived at the conclusion stated in the following paragraph:

"But I must hasten to a close. Until recently I had intended to support General Grant for the Presidency, and would do so still, in the hope that the Democracy will obtain a majority in the House of Representatives, and thus hold a restraining power; but facts which I have shown above render it impossible. Bad men with more intellect and more force of character than himself have possession of him, and if he be elected President will, probably, continue to rule him, and the country with him; and some of the worst existing abuses cannot be corrected against Executive opposition. In looking over the whole ground most carefully, and weighing consequences well, I have come to the conclusion that it were better that the Democracy prevail in the coming election, and thus divide, for the present, the legislative, while we restore the executive and judicial powers. No evil can ensue. We shall have a season of repose and time for reflection before called on again to act. There is profound philosophy in the old Scotch proverb:

"The showers fall soft when the wind is still."

AT Mansfield, Mass., on Saturday, Mr. M. C. Mengis, the apostle of the new movement in favor of youths of eighteen being allowed to vote, delivered an address, which was warmly applauded,

SEYMOUR AND BLAIR IN PERSON.—THE LATE GREAT MASS MEETING.

ROXBORO, N. C., Sept. 7, 1868.

MESSRS. EDITORS:—Circumstances have delayed till now, the promised report of our recent mass meeting. By previous announcement in the *Sentinel* and the *Chronicle*, the meeting had been made known generally to the people of the county. The presence of distinguished gentlemen from abroad had also been promised, and the consequence was the largest political concourse ever seen in the county within my recollection, and I am told the largest known in the history of the county, with the single exception of that which met on the occasion of the complimentary dinner to Hon. Bedford Brown, on his return from the U. S. Senate, in the year 1840.

The day's work was begun by the organization of the Person County Seymour and Blair Club, No. 10, of the citizens of Roxboro and vicinity. We enrolled in five or ten minutes some forty names, among them several of last Spring's white radical voters and three colored.

Next came the organization of the Central Club, or Executive Committee for the County, composed of delegates from the several District Clubs, each Club having one representative.

The eager and impatient audience were soon thereafter assembled under the trees of the Court House yard, and Hon. Henry K. Nash was introduced to them. The speaker, reverting to anti-revolutionary times, showed, by a brief but graphic review, how the might of Anglo Saxon arms, and the mastery of Anglo-Saxon mind, had made the vast wilderness of America to bloom and blossom as a garden, to teem with the rich fruits of labor, and resound with the hum of steady and prosperous traffic; then how the same Anglo Saxon mastery of arms and intellect, because of a light tax, unjustly imposed, in that it violated the great principle of free constitutional government, that taxation and representation should go hand in-hand, taught arrogant and despotic England that, though Americans might be loyal subjects, they would never be slaves, and reared the great fabric of *a people's government*, upon strange and inhospitable shores. The speaker traced the further course of the government, in its resistance to foreign aggression, and its preservation of popular liberty in succeeding wars and in its domestic legislation down to the late war; then how the people of the South, seeing, as they thought, that the government was no longer administered in order to protect them, took their protection into their own hands, trusting the issue to the God of nations and men, and fighting the battle of liberty, worthy of free men, the descendants of the patriots and heroes of '76. He next sketched the struggle of the President and the people with the violent, corrupt and revolutionary Congress since the war, and here, entering upon the political issues of the day, discussed them with a clearness, force and eloquence which not only convinced his hearers, but will remain in their memory many a day.

After the address came an abundant and handsome dinner for all the crowd, under the efficient management of Messrs. J. T. Critcher, W. H. Hopkins and W. H. Smith, and Mrs. Col. Hunt, Mrs. Robt. Mitchell, Mrs. Jesse Long and Mrs. W. H. Smith.—Much credit is due these ladies and gentlemen, that, in order to serve the public, they generously gave up the opportunity to hear Mr. Nash's address in the morning.

After dinner and a rest of an hour or two the people reassembled and Hon. Wm. A. Graham was introduced to the audience. Of this speech I am unable to report much. The sun was shining brightly, the evening was hot, and the air was still. The sunshine soon invaded my position and routed me, and when I looked for another shady place I found that every one in reached of the speaker was occupied, and every eligible spot was held till the conclusion of the address. But if I did not hear it, I have since heard of it times without number. I have heard many pronounce it the most comprehensive and searching analysis of Radical legislation and the most complete exposure of the evils of Radical misrule that they have ever heard. But it would be idle to attempt even a synopsis, were I prepared to give it, of a speech, the power of which was well attested by the close and interested attention given it by its hearers through the two hours, more or less, of its delivery.

The ladies graced the occasion by their presence and were no whit behind the men in their interest in the proceedings. Blessed be their names for ages—and may the Lord graciously incline their hearts away from the ugly abominations of short dresses and hair done up like bag-wadding and standing off, upward and rearward, like water *spouts* instead of water-falls, and restore them to the graceful drapery of trailing skirts and hair curled *down* as the Lord intended it to be!

Great good, we think, has come of the meeting and we intend to make it greater. We are resolved that our clubs shall increase in number and in size and we intend that this county shall do great things in the coming election.

Yours, in the faith of essential and inborn hate of Radicalism,

BOXBORO.

WHAT A LIE!

Messrs. Editors:—Recently, a copy of the immortal address of the immortal Republican members of the immortal so called Legislature, which lately assembled and decorated the sacred precincts of the Capitol of N. C., fell into my hands, and while I scarcely expected to find a strict adherence to the commands of Holy Writ, "Thou shalt not bear false witness," I was not prepared for the palpable, unblushing falsehood found on the very first page of the aforesaid immortal, which is as follows:

"The persons and the party, who thus declare, went into the late election as candidates for the offices of the Government as if everything was valid, and as everything would have been valid, if they had been elected."

Now, everybody knows, except the aforesaid immortal, that the Conservative Convention, which assembled in Raleigh just before the campaign for Governor and members of the Legislature opened, declared that the Government, which the mongrel Convention was establishing, was unconstitutional, and, therefore, null and void, and that every candidate whom they put forward was expected, and did all in their power, to defeat this wicked, irregular and unconstitutional Government. Every new development, however, only proves, what has been charged against them a thousand times, that their principal instrument is falsehood, and that they only thrive by lying and imposing upon the ignorance of the masses. M.

UNITED STATES MINISTERS DIX AND WATTS.—The statement that Gen. John A. Dix, and Mr. Watts, the United States Minister to Austria, are in favor of the election of Grant and Colfax, is believed to be untrue. A correspondent writes that so far as Gen. Dix is concerned he "has good reason to believe it altogether destitute of truth," and with respect to Mr. Watts that it is apocryphal.—*Washington Express.*

FROM WASHINGTON.

WASHINGTON, Sept. 9, P. M.

Reciprocating courtesy, Mr. McCulloch has directed that the registered tonnage of British vessels shall be taken as correct in American ports.

Revenue to-day, $256,000.

It is stated that Rollins demands Buckley's dismissal, but McCulloch declines to interfere.—No present prospect of a compromise between McCulloch and Rollins. The investigations in New York are progressing without pointed developments. S. N. Pike, of the Opera House and Whiskey fame, and brother-in-law of General Schenck, Chairman of Ways and Means, is mentioned by witnesses.

FROM GEORGIA—THE LEGISLATURE.

ATLANTA, Sept 9, P. M.

The Senate amended the rel of bill, by striking out the second section, which included money in the schedule.

A message was received from the Governor, enclosing report of the Committee, in the case of persons applying for seats vacated by the expelled negroes, or giving the names of persons receiving the next highest vote. A lengthy protest accompanied the report, against the action of the House expelling. It reviewed the constitutional question, and stated that the Constitution clearly gave the negroes the right to hold office.

Pending the reading, motions were made to table, as a direct insult to the House. The motion was not sustained. The following was adopted:

Resolved, That that portion of the communication from the Governor, reflecting upon the action deciding the elegibility of free persons of color under the Constitution, be returned to the Governor.

Resolved, That said communication is not warranted by a resolution upon which the Governor was requested to act, and that the members of each House are judges of the qualification of its members, not the Governor. They are the keepers of their own conscience, not His Excellency.

A resolution was passed to swear in the members, having the next highest vote, who are not ineligible under the third section of the fourteenth amendment.

Several of the new members were sworn in and took their seats.

FROM SOUTH CAROLINA—THE LEGISLATURE.

COLUMBIA, Sept. 9, P. M.

The Legislature, to-day, passed a bill pledging the taxes collected for the redemption of bills receivable of the State.

The Republican Convention elected a colored permanent Chairman.

A Committee was appointed to prepare an address to the people of the State.

A. S. Wallace, of New York, was nominated as the Republican candidate for Congress, in the Fourth District.

P. Gray Meek, the editor of the *Watchman*, the Democratic organ of Centre county, published at Bellefonte, Ohio, makes the following offer:

"We have had placed at our disposal for the accommodation of betting Radicals, fourteen thousand five hundred dollars, ($14,500) to be staked on the coming Presidential election, as follows:

$1,000 that Seymour and Blair will carry Connecticut.

$1,000 that Seymour and Blair will carry New York.

$1,000 that Seymour and Blair will carry New Jersey.

$1,000 that Seymour and Blair will carry Pennsylvania.

$1,000 that Seymour and Blair will carry Delaware.

$1,000 that Seymour and Blair will carry Maryland.

$1,000 that Seymour and Blair will carry Ohio.

$1,000 that Seymour and Blair will carry Kentucky.

$1,000 that Seymour and Blair will carry Indiana.

$1,000 that Seymour and Blair will carry Missouri.

$1,000 that Seymour and Blair will carry California.

$1,000 that Seymour and Blair will carry Oregon.

$2,000 that Seymour and Blair will be elected.

$500 that no Radical dare take the bet.

This amount of money, to be bet as stated, has been placed in the Banking House of W. E. Reynolds & Co., and the editor of this paper will make the necessary arrangements, with any radical, or any party of radicals, who desire to take it. Come on, gentlemen, or stop your blowing! *We are going to win this fall.* If you think not, back up your opinion with your gold if you are bond-holders, and with your green backs if you do not belong to that favored class."

A Democratic barbecue is being held in the district to-day. As I close this letter troops of negroes from distant plantations are marching past, singing:

Let every young democrat lift up his voice,
Vive la Compagnie!
And sing the proud names of his party's first choice,
Vive la Compagnie!
Did Hiram the allend go back to his tan,
Vive la Compagnie!
For President we never shall have such a man,
Vive la Compagnie!
The rule of the radical party shall cease,
Vive la Compagnie!
And then we'll enjoy the rich blessings of peace,
Vive la Compagnie!
Seymour, Seymour, Seymour, Seymour,
Three cheers for Seymour—Seymour and Blair!

It isn't in the least degree probable that they know what "Vive la Compagnie" [so spelled] means. It may stand for something to eat, in their minds. Unquestionably the democratic barbecue does. But there are white men with them; they are pleased and flattered by the association and are going to do just what the white men tell them.—The gathering promises to be a large one.—A report of the proceedings must be left for a future communication.—*Louisiana Cor. N. Y. Herald.*

UNIVERSAL
LIFE INSURANCE COMPANY,

NO EXTRA CHARGE FOR FEMALE RISKS.

LOSSES PAID IN THIRTY DAYS.

No Restrictions on Travel or Residence

OF NEW YORK.
Office, No. 60, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The Business of this Company is exclusively confined to the Insurance of First Class, healthy lives.

The Distinctive Feature

Of the STOCK system of Life Insurance, as opposed to the Mutual, is a low rate of premium, for stated sums insured, which is *immediate, sure and certain*, in lieu of a high rate of premium and *promised* dividend, which is distant, contingent and uncertain—this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

☞ The premiums charged by the "UNIVERSAL" are nearly *one-third* lower than those charged by the Mutual Companies.

The "UNIVERSAL" desires to call the particular attention of Agents and others to the new "Return Premium Table," which has been prepared by the Actuary of the Company. It will be noticed that these rates average less than the ordinary rates charged by Mutuals. The inducements offered by this table are equal to a reversionary dividend of one hundred per cent. of all premiums paid.

Rates to Secure $1,000 at Death, with a Return of all Premiums paid.

AGE.	Ordinary Life Rate	Ten Payments Rate	AGE.	Ordinary Life Rate	Ten Payments Rate
25	$21.19	$37.48	45	$35.48	$59.13
30	25.54	43.10	50	74.57	104.37
35	31.34	51.04	55	108.27	147.30
40	40.07	61.41	60	163.23	201.07

Example.—A man aged 30 insures his life for $1,000, and pays 43.10 per annum on the 10 payment plan, and dies after having paid five annual payments, or $215.50, his policy will be good for $1,215.50.

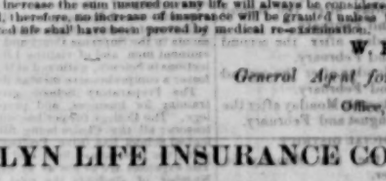
NON-FORFEITING CASH RATES
OF THE
ÆTNA LIFE INSURANCE COMPANY,
OF HARTFORD, CONN.

ASSETS, $10,000,000.



DIVIDEND, Fifty per Cent.

$130 to pay every 100 of Liabilities.

$7,000 Members, and constantly increasing.

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.
Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount* without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared at a percentage of said sum, and paid in cash, and upon surrender of said Policy, the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but at the same time, an annual income until death unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premiums to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase, taken as a single net premium upon the "Actuaries" rate of mortality and four *per cent.* interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured his to violation of the conditions expressed therein, whose death shall occur RASH OR IN CONSEQUENCE of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

MISCELLANEOUS.

COLUMBIAN COLLEGE,

WASHINGTON, D. C.

THE SESSIONS OF THE SEVERAL Departments open as follows:

The PREPARATORY, September 9th; the COLLEGIATE, September 23rd; the THEOLOGICAL, October 7th; the LAW, October 13th; and the MEDICAL, October 19th.

This College was organized with a reference to the oft urged suggestion of WASHINGTON, that a University, at the Federal Metropolis, would tend to the "assimilation of the principles, opinions and manners of our countrymen, by the common education of a portion of its youth from every quarter." Its graduates have verified the expectations of Madison and Monroe, that the facilities of hearing debates in Congress, statements in the Supreme Court and Lectures from eminent men, and of visiting Libraries and Collections in Science, gathered at this centre, would foster a comprehensive mental development.

The Preparatory School gives a thorough training for business, and preparation for College. The College proper has eight efficient Professors; all the Chairs being filled. The Theological school has three Professors and Lecturers; the Law School four, and the Medical five. The expenses are as low as at other Colleges. Number of students the past year, 444. For Catalogues or further information, address,

VEGETABLE PILE OINTMENT.

TO THE PUBLIC.

FOR 25 YEARS I was sorely afflicted with the Piles. After trying every remedy I could hear of, and failing to receive any benefit, in 1857, I discovered a remedy, purely vegetable, which effected an entire cure, and I have had no return of it.

Anxious to relieve the afflicted and to promote my own benefit, I made public my discovery and had the gratification to know that my remedy cured a large number of persons. My ointment was advertised in the public prints and I met with great success, until the war came on.

By the advice of friends, I have determined again to manufacture the OINTMENT and offer it for sale. Any number of certificates of its value could be obtained if necessary.

Price of box $1, and postage. (fifteen cents.) As soon as I can make arrangements, I will put it in the hands of the druggists of the State.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or reagitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has centered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a barrile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subject and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which finds no warrant in the Constitution; and it sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country in victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By-Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By-Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the —— Club of —— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Co responding Secretary, and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt may be altered, amended or changed at any public meeting of the Club by a vote of two thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, (and the officers of the Club shall be *ex-officio* officers of the Board) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!
